

March 7, 2002

Mr. Brian J. Irons
CDM Federal Programs Corp.
125 Maiden Lane - 5th Floor
New York, NY 10038

Dear Mr. Irons,

Pursuant to Clause B.2, "Work Assignments (Term Form Segment)" of Contract 68-W-98-210, Work Assignment 050-RSBD-02C3 is enclosed for your review and action. This work assignment covers oversight of a remedial investigation/feasibility study being performed for Operable Unit 3 of the Chemsol, Inc., site, Piscataway, New Jersey. (Work Assignment 049-BFON-02ZZ, covering selected site investigation activities for Region 2's Targeted Brownfields Assessment program, is in process and will be issued shortly.)

You may begin project planning activities for this assignment in accordance with the instructions contained in the comments block. EPA will schedule a scoping meeting within the next thirty days. You are cautioned that you may not exceed the expenditure limit stated in this work assignment without prior written authorization from the contracting officer, in accordance with paragraph (g) of Clause B.2.

Please sign and return an acknowledgment copy of Work Assignment 050-RSBD-02C3 by March 14, 2002. If you have any questions, please call me at phone number (212) 637-3367.

Sincerely,

Deborah C. Butler
Contracting Officer
